

## **Health Insurance Verification**

Some Insurance companies cover my services. Verification of coverage and establishment of payment are necessary before I accept co-pays at the time of service.

Once it is verified that your policy has met certain criteria, we can accept your insurance in lieu of payment at the time of service and determine how this will reflect the co-pay at future visits.

- 1. Covers my services***
- 2. The deductible has been met***
- 3. The insurance company has initiated a first payment***

To verify Health Insurance coverage, please provide us with your insurance information or bring your card to the initial visit.

**PAYMENT IS DUE AT TIME OF SERVICE. INSURANCE NOT ACCEPTED AS PAYMENT.** We can bill and will reimburse you if payment is made.

Paypal, Credit Card, Check or cash are preferred methods of payment. HSA and credit cards are accepted for a small fee of 3%

Please kindly give me 24 hrs notice of cancellation or you may be dropped from the practice or you will be charged a \$75 cancellation fee. Payment is due at the time of visit.

Thank you for your inquiry. I appreciate the opportunity to work with you. I personally believe you should have access to preventative and holistic care because it is your birth-right to be healthy, understand your body and be afforded access to the least invasive treatments and most safe and effective solutions to health care.
